It contains an 'Email' field with the text 'demo', a 'Password' field with six dots, a 'Remember me' checkbox which is checked, and a language dropdown menu set to 'English'. At the bottom left is a blue 'Login' button, and at the bottom right is a link that says 'Forgot your password?'.

Use the login credentials provided to you by Storey Marketing. This will be your email address and predetermined password.

Once you have successfully logged in, the dashboard will show all the pages within your website that have editable areas.

Note: Pages will not show unless the page contains content which is unique for your website.

Below the logo is a breadcrumb trail: 'Sites > qualityshop24-7.com/review/demo'. On the left side, there is a box titled 'What would you like to do?' with two options: 'Manage Files' and 'Visit Website'. On the right side, there is a search bar and a list of pages. The list is titled '3 pages' and contains three entries: 'About Us' (about_us.html), 'Contacts' (contact.html), and 'Homepage' (index.html). Each entry has a gear icon to its right, indicating it is editable.
